

## **Krouma Camp Experience**

From the heart of the Nile with our outstanding location inside Seheil Island, where you are surrounded by the Nile and protected by the Granite Mountain, and view our beautifully set landscape.

At KROUMA CAMP, you will enjoy every moment you will spend with us starting with authentic food, a relaxing beach, fun water activities, live music concerts, and unique handicrafts.

Krouma Ecolodge is an environment-friendly campsite that was built from the natural components of the surrounding nature as granite rocks, green mud, limestone, wicker, Lagerstroemia indica trees, burlap, and palm trees. In addition to our continuous efforts in minimizing the usage of electricity and working on renewable energy sources such as building a solar and biogas system as well as using antiseptic capsules of useful bacteria to clear the drainage and reuse of recycled water.
