

Aswan the land of beauty and charming, was known during the ancient Egyptian times by “ Suno” meaning the market where it was a commercial center for convoys coming from and to Nubia, pharaohs used to ship the pink and black granite stones and limestones all from Aswan to built their pyramids.

In addition to the richness of nature in this Egyptian city, Aswan is full of the ancient pharaonic civilization and many touristic destinations including Nubian, pharaonic, Coptic and Islamic.
